- "Getting Reading for Test Day" strategy sessions—short, interactive modules built into every lesson
- Personalized study plan and homework online
- Online Videos, additional test practice and supplemental tools all on the internet
- Essay scoring and feedback by expert graders
- Kaplan's expert course lesson book

Registering for this Kaplan course DOES NOT automatically register you to take the actual May 5th SAT exam. You must register yourself independently from this Kaplan course. Registration booklets are available in the College Office – Room 114B, or you may register for the exam online at www.collegeboard.com. It is recommended that college bound students take the SAT once in the spring of their junior year, and once or twice more in the fall of their senior year. Please see Ms Spano about obtaining a **fee waiver** for the SAT exam and instructions on information needed when you register.

The normal outside cost of this Kaplan course is substantially more than the specifically negotiated price for Thomas Edison juniors this spring. The individual student price will be **\$369**.

Registration will be made on a first come first served basis, beginning immediately.* **Please return this signed form as soon as possible to save your seat in the class.** If you are interested in enrolling your son/daughter in this SAT course, please bring/send a \$369 money order or personal check only, made payable to: Thomas Edison Career and Technical Education High School (with child's name on payment). Cash will not be accepted. Please bring/send your \$369 payment to Ms. Spano in the College Office -Room 114B, **no later than Wednesday, January 11, 2012.**

**** Registration/enrollment will be secured with your payment. You will receive a receipt for payment.**
